10 January 2017

Dear Parents/Carers of Nest children

Part of our lesson plan this term is around growing and healthy eating and, as such, we have a visit by the School Nurse on Wednesday 18 January who will talk to the children about looking after their teeth.

As part of this we will be undertaking a fun activity where we rinse our mouths with a disclosing tablet which show where the children need to clean their teeth a little more. The tablets and toothbrushes will be provided by the Nest team. We are seeking your permission for your child taking part in this fun disclosing game.

If you are in agreement, please complete and return the attached slip to Reception as soon as possible. If it is not returned it will be assumed you have not consented and would prefer your child not to take part in the disclosing process.

Yours sincerely

The Nest Team
