18 January 2017

To all parents & carers

A belated Happy New Year and welcome to the Spring Term at Curledge Street Academy!

At the start of this new term we are very keen to maintain our good attendance rate, and many thanks to those parents who support their children to achieve this. May I remind you that registers are taken in class at 9am promptly and are followed by a dedicated Read Write Inc or literacy skills session, so if your child is late into school they are missing this valuable tuition and this may have an impact on their educational development. Also, a further reminder at the other end of the day, we no longer have facilities for looking after children when parents are running late so we ask that you make arrangements for your child to be collected promptly at 3.15pm. However, I am pleased to advise we are looking at the possibility of running an after school club and will be canvassing your views by way of a questionnaire shortly.

As you will recall in the Christmas Newsletter, we are moving towards an improved communication system by way of text and emails which will cut down on the number of printed letters that are sent home. We are also moving to a system where payments can be made on line along with selecting activities and clubs electronically. We'll let you know as these facilities become available.

A reminder of some key dates for you: February half term is week commencing 13 February and we have Parents' Evenings on 15 & 16 March. As well as hearing about your child's progress in school, we will take an opportunity to ensure we have the correct contact details for you and to provide you with your child's attendance record. Other school dates for this year are printed on the reverse of this letter and term times from 2018 to 2020 are shown on our website.

As always if you would like to see me about any worries or concerns, I am usually at the school gate first thing in the morning or pop into Reception who will be happy to make an appointment.

With best wishes,

Yours sincerely

A handwritten signature in black ink, appearing to read 'J. Humphrey'.
